

SPECIFIED

ELECTRICAL SYSTEMS, LLC

Specified Electrical Systems with offices located in Crofton, Maryland is currently seeking to hire Project Managers with a minimum of three (3) years' experience. The more experience the better. These candidates must be proficient with Microsoft Office and have experience with estimating programs. Familiarity with ConEst and field experience are a plus.

The general duties of the ideal candidate for this position would be daily management of projects. Including but not limited to overseeing manpower, tracking project material & deliveries, project schedules, submittals, monthly billings, cost-to-complete and WIP's. Must communicate well with vendors, clients and all supervisors. Must be detail oriented and goal driven. Ideal candidate must also work well with others.

This position provides excellent benefits with a great potential for growth within the company and room for advancement.

To apply, please email with cover sheet detailing experience and availability as well as a complete resume to francisd@specifiedes.com

At least three (3) professional references must be provided with current phone numbers.
